

Active Monocyte Chemotactic Protein 1 (MCP1)

Catalog No: tcup78

Available Sizes

Size: 10ug

Size: 50ug

Size: 200ug

Specifications

Application:

Cell culture; Activity Assays.

Species:

Homo sapiens (Human)

Source:

E. coli

Purity / Grade:

> 90%

Amino Acids:

Gln24~Thr99

SwissProt:

P13500

Predicted Molecular Weight:

9.5kDa

Observed Molecular Weight:

15/17kDa

Tags:

N-terminal His Tag

Product Description

Prokaryotic expression
