

# Active Matrix Metalloproteinase 2 (MMP2)

Catalog No: tcup80

## Available Sizes

---

**Size:** 10ug

**Size:** 50ug

**Size:** 200ug

## Specifications

---

**Application:**

Cell culture; Activity Assays.

**Species:**

Homo sapiens (Human)

**Source:**

E. coli

**Purity / Grade:**

> 97%

**Amino Acids:**

Tyr110~Cys660

**SwissProt:**

P08253

**Predicted Molecular Weight:**

63.3kDa

**Observed Molecular Weight:**

64kDa

**Tags:**

N-terminal His Tag

## Product Description

Prokaryotic expression
