

Active Matrix Metalloproteinase 2 (MMP2)

Catalog No: tcup80

Available Sizes

Size: 10ug

Size: 50ug

Size: 200ug

Specifications

Application:

Cell culture; Activity Assays.

Species:

Homo sapiens (Human)

Source:

E. coli

Purity / Grade:

> 97%

Amino Acids:

Tyr110~Cys660

SwissProt:

P08253

Predicted Molecular Weight:

63.3kDa

Observed Molecular Weight:

64kDa

Tags:

N-terminal His Tag

Product Description

Prokaryotic expression
