

Recombinant Interferon Alpha (IFNa)

Catalog No: tcup237

Available Sizes

Size: 10ug

Size: 50ug

Size: 200ug

Specifications

Application:

Positive Control; Immunogen; SDS-PAGE; WB.

Species:

Cavia (Guinea pig)

Source:

E.coli

Purity / Grade:

≥ 98%

Amino Acids:

Met1~Asp187

Predicted Molecular Weight:

22.9kDa

Observed Molecular Weight:

22.9kDa

Tags:

N-terminal His-Tag

Product Description

Prokaryotic expression
