

Recombinant Interleukin 1 Alpha (IL1a)

Catalog No: tcup408

Available Sizes

Size: 10ug

Size: 50ug

Size: 200ug

Specifications

Application:

Positive Control; Immunogen; SDS-PAGE; WB.

Species:

Equus caballus; Equine (Horse)

Source:

E.coli

Purity / Grade:

≥ 98%

Amino Acids:

Asp95~Gln269

Predicted Molecular Weight:

21.5kDa

Observed Molecular Weight:

21.5kDa

Tags:

N-terminal His-Tag

Product Description

Prokaryotic expression
