

# Recombinant Matrix Metalloproteinase 11 (MMP11)

Catalog No: tcup845

## Available Sizes

Size: 10ug

Size: 50ug

Size: 200ug

## Specifications

### Application:

Positive Control; Immunogen; SDS-PAGE; WB.

### Species:

Rattus norvegicus (Rat)

### Source:

E.coli

### Purity / Grade:

≥ 98%

### Amino Acids:

Ala302~Arg458

### Predicted Molecular Weight:

23.9kDa

### Observed Molecular Weight:

23.9kDa

### Tags:

two N-terminal Tags, His-tag and S-tag

## Product Description

Prokaryotic expression

All products are for RESEARCH USE ONLY. Not for diagnostic & therapeutic purposes!
