

Recombinant Histone H4 (H4)

Catalog No: tcup958

Available Sizes

Size: 10ug

Size: 50ug

Size: 200ug

Specifications

Application:

Positive Control; Immunogen; SDS-PAGE; WB.

Species:

Multi-species

Source:

E.coli

Purity / Grade:

≥ 92%

Amino Acids:

Ser2~Gly103

Predicted Molecular Weight:

12.8kDa

Observed Molecular Weight:

12.8kDa

Tags:

N-terminal His-Tag

Product Description

Prokaryotic expression
