

Recombinant Tumor Necrosis Factor Ligand Superfamily, Member 14 (TNFSF14)

Catalog No: tcup2106

Available Sizes

Size: 10ug

Size: 50ug

Size: 200ug

Specifications

Application:

Positive Control; Immunogen; SDS-PAGE; WB.

Species:

Rattus norvegicus (Rat)

Source:

E.coli

Purity / Grade:

≥ 95%

Amino Acids:

Arg58~Ile239

Predicted Molecular Weight:

21.19kDa

Observed Molecular Weight:

21.19kDa

Tags:

N-terminal His-Tag

Product Description

Prokaryotic expression
