

Recombinant Chorionic Gonadotropin Alpha Polypeptide (CGa)

Catalog No: tcup3475

Available Sizes

Size: 10ug

Size: 50ug

Size: 200ug

Specifications

Application:

Positive Control; Immunogen; SDS-PAGE; WB.

Species:

Homo sapiens (Human)

Source:

E.coli

Purity / Grade:

≥ 95%

Amino Acids:

Leu25~Ser120

Predicted Molecular Weight:

11.71kDa

Observed Molecular Weight:

11.71kDa

Tags:

N-terminal His-Tag

Product Description

Prokaryotic expression

All products are for RESEARCH USE ONLY. Not for diagnostic & therapeutic purposes!
