

Recombinant Tumor Necrosis Factor Ligand Superfamily, Member 13 (TNFSF13)

Catalog No: tcup3718

Available Sizes

Size: 10ug

Size: 50ug

Size: 200ug

Specifications

Application:

Positive Control; Immunogen; SDS-PAGE; WB.

Species:

Rhesus monkey (Simian)

Source:

E.coli

Purity / Grade:

≥ 98%

Amino Acids:

Ala93~Leu250

Predicted Molecular Weight:

19.4kDa

Observed Molecular Weight:

19.4kDa

Tags:

N-terminal His-Tag

Product Description

Prokaryotic expression

All products are for RESEARCH USE ONLY. Not for diagnostic & therapeutic purposes!
