

Recombinant Natural Cytotoxicity Triggering Receptor 1 (NCR1)

Catalog No: **tcup3817**

Available Sizes

Size: 10ug

Size: 50ug

Size: 200ug

Specifications

Application:

Positive Control; Immunogen; SDS-PAGE; WB.

Species:

Rattus norvegicus (Rat)

Source:

E.coli

Purity / Grade:

> 90%

Amino Acids:

Gln17~Arg258

SwissProt:

Q9Z0H5

Predicted Molecular Weight:

31.2kDa

Observed Molecular Weight:

31.2kDa

Product Description

Prokaryotic expression
