

Recombinant Wiskott Aldrich Syndrome Protein (WASP)

Catalog No: **tcup4031**

Available Sizes

Size: 10ug

Size: 50ug

Size: 200ug

Specifications

Application:

Positive Control; Immunogen; SDS-PAGE; WB.

Species:

Homo sapiens (Human)

Source:

E.coli

Purity / Grade:

> 90%

Amino Acids:

Leu39~Gly251

SwissProt:

P42768

Predicted Molecular Weight:

26.9kDa

Observed Molecular Weight:

26.9kDa

Tags:

two N-terminal Tags, His-tag and T7-tag

Product Description

Prokaryotic expression
