

Recombinant Collagen Type IX Alpha 1 (COL9a1)

Catalog No: **tcup4481**

Available Sizes

Size: 10ug

Size: 50ug

Size: 200ug

Specifications

Application:

Positive Control; Immunogen; SDS-PAGE; WB.

Species:

Rattus norvegicus (Rat)

Source:

E.coli

Purity / Grade:

> 95%

Amino Acids:

Phe24~Leu268

SwissProt:

P20850

Predicted Molecular Weight:

31.2kDa

Observed Molecular Weight:

31.2kDa

Product Description

Prokaryotic expression
