

# Recombinant Major Histocompatibility Complex Class II DR Alpha (MHCDRa)

Catalog No: tcup4500

## Available Sizes

---

**Size:** 10ug

---

**Size:** 50ug

---

**Size:** 200ug

---

## Specifications

---

**Application:**

Positive Control; Immunogen; SDS-PAGE; WB.

---

**Species:**

Oryctolagus cuniculus (Rabbit)

---

**Source:**

E.coli

---

**Purity / Grade:**

≥ 98%

---

**Amino Acids:**

Ala26~Cys221

---

**Predicted Molecular Weight:**

23.8kDa

---

**Observed Molecular Weight:**

23.8kDa

---

**Tags:**

N-terminal His-Tag

---

## Product Description

Prokaryotic expression
