

Recombinant Mediator Complex Subunit 1 (MED1)

Catalog No: **tcup4581**

Available Sizes

Size: 10ug

Size: 50ug

Size: 200ug

Specifications

Application:

Positive Control; Immunogen; SDS-PAGE; WB.

Species:

Homo sapiens (Human)

Source:

E.coli

Purity / Grade:

> 95%

Amino Acids:

Met1~Thr212

SwissProt:

Q15648

Predicted Molecular Weight:

27.5kDa

Observed Molecular Weight:

27.5kDa

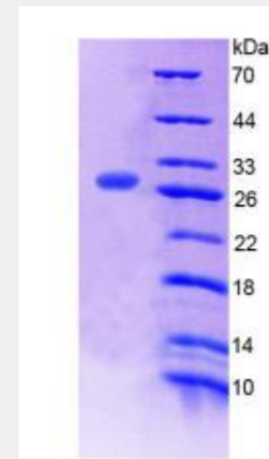

Tags:

two N-terminal Tags, His-tag and T7-tag

Product Description

Prokaryotic expression
