

Recombinant Allograft Inflammatory Factor 1 (AIF1)

Catalog No: **tcup4651**

Available Sizes

Size: 10ug

Size: 50ug

Size: 200ug

Specifications

Application:

Positive Control; Immunogen; SDS-PAGE; WB.

Species:

Cavia (Guinea pig)

Source:

E.coli

Purity / Grade:

≥ 92%

Amino Acids:

Met1~Pro147

Predicted Molecular Weight:

46.8kDa

Observed Molecular Weight:

46.8kDa

Tags:

two N-terminal Tags, His-tag and GST-tag

Product Description

Prokaryotic expression
