

Recombinant Mitochondrial Translational Initiation Factor 2 (MTIF2) Catalog No: tcup5082

Available Sizes

Size: 10ug

Size: 50ug

Size: 200ug

Specifications

Application:

Positive Control; Immunogen; SDS-PAGE; WB.

Species:

Rattus norvegicus (Rat)

Source:

E.coli

Purity / Grade:

> 90%

Amino Acids:

Met1~Arg201

SwissProt:

Q68FQ5

Predicted Molecular Weight:

53.1kDa

Observed Molecular Weight:

53.1kDa

Product Description

Prokaryotic expression
