

Recombinant Neuro Oncological Ventral Antigen 1 (NOVA1)

Catalog No: **tcup5112**

Available Sizes

Size: 10ug

Size: 50ug

Size: 200ug

Specifications

Application:

Positive Control; Immunogen; SDS-PAGE; WB.

Species:

Homo sapiens (Human)

Source:

E.coli

Purity / Grade:

> 90%

Amino Acids:

Ala295~Gly510

SwissProt:

P51513

Predicted Molecular Weight:

24.8kDa

Observed Molecular Weight:

24.8kDa

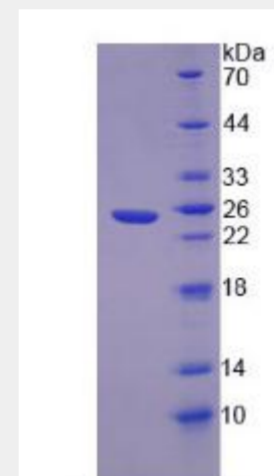

Tags:

two N-terminal Tags, His-tag and T7-tag

Product Description

Prokaryotic expression
