

Recombinant Three Prime Repair Exonuclease 1 (TREX1)

Catalog No: **tcup5257**

Available Sizes

Size: 10ug

Size: 50ug

Size: 200ug

Specifications

Application:

Positive Control; Immunogen; SDS-PAGE; WB.

Species:

Homo sapiens (Human)

Source:

E.coli

Purity / Grade:

> 95%

Amino Acids:

Arg6~Glu369

SwissProt:

Q9NSU2

Predicted Molecular Weight:

42.2kDa

Observed Molecular Weight:

42.2kDa

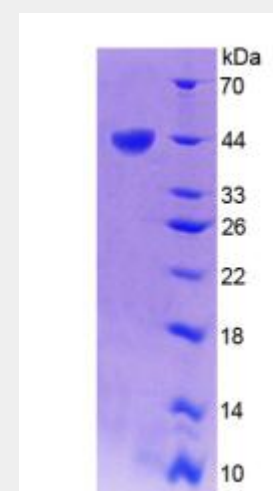

Tags:

two N-terminal Tags, His-tag and T7-tag

Product Description

Prokaryotic expression
