

Recombinant Synuclein Alpha Interacting Protein 1 (SNCaIP1)

Catalog No: tcup5305

Available Sizes

Size: 10ug

Size: 50ug

Size: 200ug

Specifications

Application:

Positive Control; Immunogen; SDS-PAGE; WB.

Species:

Rattus norvegicus (Rat)

Source:

E.coli

Purity / Grade:

> 90%

Amino Acids:

Pro766~Leu963

SwissProt:

D3ZWQ5

Predicted Molecular Weight:

51.9kDa

Observed Molecular Weight:

51.9kDa

Product Description

Prokaryotic expression

All products are for RESEARCH USE ONLY. Not for diagnostic & therapeutic purposes!
