

Recombinant Histidyl tRNA Synthetase (HARS)

Catalog No: tcup5427

Available Sizes

Size: 10ug

Size: 50ug

Size: 200ug

Specifications

Application:

Positive Control; Immunogen; SDS-PAGE; WB.

Species:

Homo sapiens (Human)

Source:

E.coli

Purity / Grade:

> 90%

Amino Acids:

Met1~Gln294

SwissProt:

P12081

Predicted Molecular Weight:

37.3kDa

Observed Molecular Weight:

37.3kDa

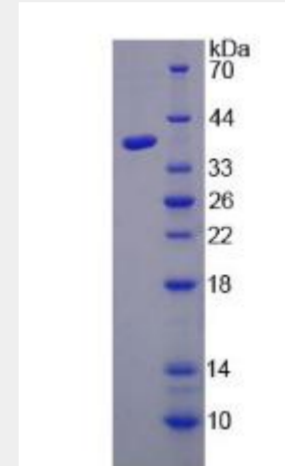

Tags:

two N-terminal Tags, His-tag and T7-tag

Product Description

Prokaryotic expression
