

Recombinant Nucleobindin 1 (NUCB1)

Catalog No: tcup5598

Available Sizes

Size: 10ug

Size: 50ug

Size: 200ug

Specifications

Application:

Positive Control; Immunogen; SDS-PAGE; WB.

Species:

Homo sapiens (Human)

Source:

E.coli

Purity / Grade:

> 90%

Amino Acids:

Glu37~Leu461

SwissProt:

Q02818

Predicted Molecular Weight:

53.8kDa

Observed Molecular Weight:

53.8kDa

Product Description

Prokaryotic expression

All products are for RESEARCH USE ONLY. Not for diagnostic & therapeutic purposes!
