

Recombinant Protein Tyrosine Phosphatase, Non Receptor Type 9 (PTPN9)

Catalog No: tcup5862

Available Sizes

Size: 10ug

Size: 50ug

Size: 200ug

Specifications

Application:

Positive Control; Immunogen; SDS-PAGE; WB.

Species:

Homo sapiens (Human)

Source:

E.coli

Purity / Grade:

> 95%

Amino Acids:

Gln289~Gln593

SwissProt:

P43378

Predicted Molecular Weight:

38.8kDa

Observed Molecular Weight:

38.8kDa

Product Description

Prokaryotic expression

All products are for RESEARCH USE ONLY. Not for diagnostic & therapeutic purposes!
