

Recombinant Protein Tyrosine Phosphatase Receptor Type N2 (PTPRN2)

Catalog No: tcup5881

Available Sizes

Size: 10ug

Size: 50ug

Size: 200ug

Specifications

Application:

Positive Control; Immunogen; SDS-PAGE; WB.

Species:

Homo sapiens (Human)

Source:

E.coli

Purity / Grade:

> 90%

Amino Acids:

Cys839~Gln1015

SwissProt:

Q92932

Predicted Molecular Weight:

24.0kDa

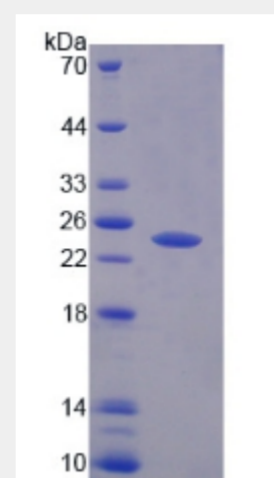

Observed Molecular Weight:

24.0kDa

Product Description

Prokaryotic expression
