

Recombinant Tyrosine Aminotransferase (TAT)

Catalog No: **tcup6117**

Available Sizes

Size: 10ug

Size: 50ug

Size: 200ug

Specifications

Application:

Positive Control; Immunogen; SDS-PAGE; WB.

Species:

Homo sapiens (Human)

Source:

E.coli

Purity / Grade:

> 95%

Amino Acids:

Cys221~Lys454

SwissProt:

P17735

Predicted Molecular Weight:

30.0kDa

Observed Molecular Weight:

30.0kDa

Product Description

Prokaryotic expression

All products are for RESEARCH USE ONLY. Not for diagnostic & therapeutic purposes!
