

Recombinant 5' Nucleotidase, Mitochondrial (NT5M)

Catalog No: tcup6165

Available Sizes

Size: 10ug

Size: 50ug

Size: 200ug

Specifications

Application:

Positive Control; Immunogen; SDS-PAGE; WB.

Species:

Homo sapiens (Human)

Source:

E.coli

Purity / Grade:

> 95%

Amino Acids:

Val38~Cys228

SwissProt:

Q9NPB1

Predicted Molecular Weight:

25.9kDa

Observed Molecular Weight:

25.9kDa

Product Description

Prokaryotic expression
