

Recombinant 5' Nucleotidase, Mitochondrial (NT5M)

Catalog No: tcup6167

Available Sizes

Size: 10ug

Size: 50ug

Size: 200ug

Specifications

Application:

Positive Control; Immunogen; SDS-PAGE; WB.

Species:

Rattus norvegicus (Rat)

Source:

E.coli

Purity / Grade:

> 90%

Amino Acids:

Val30~Arg209

SwissProt:

D4A5J2

Predicted Molecular Weight:

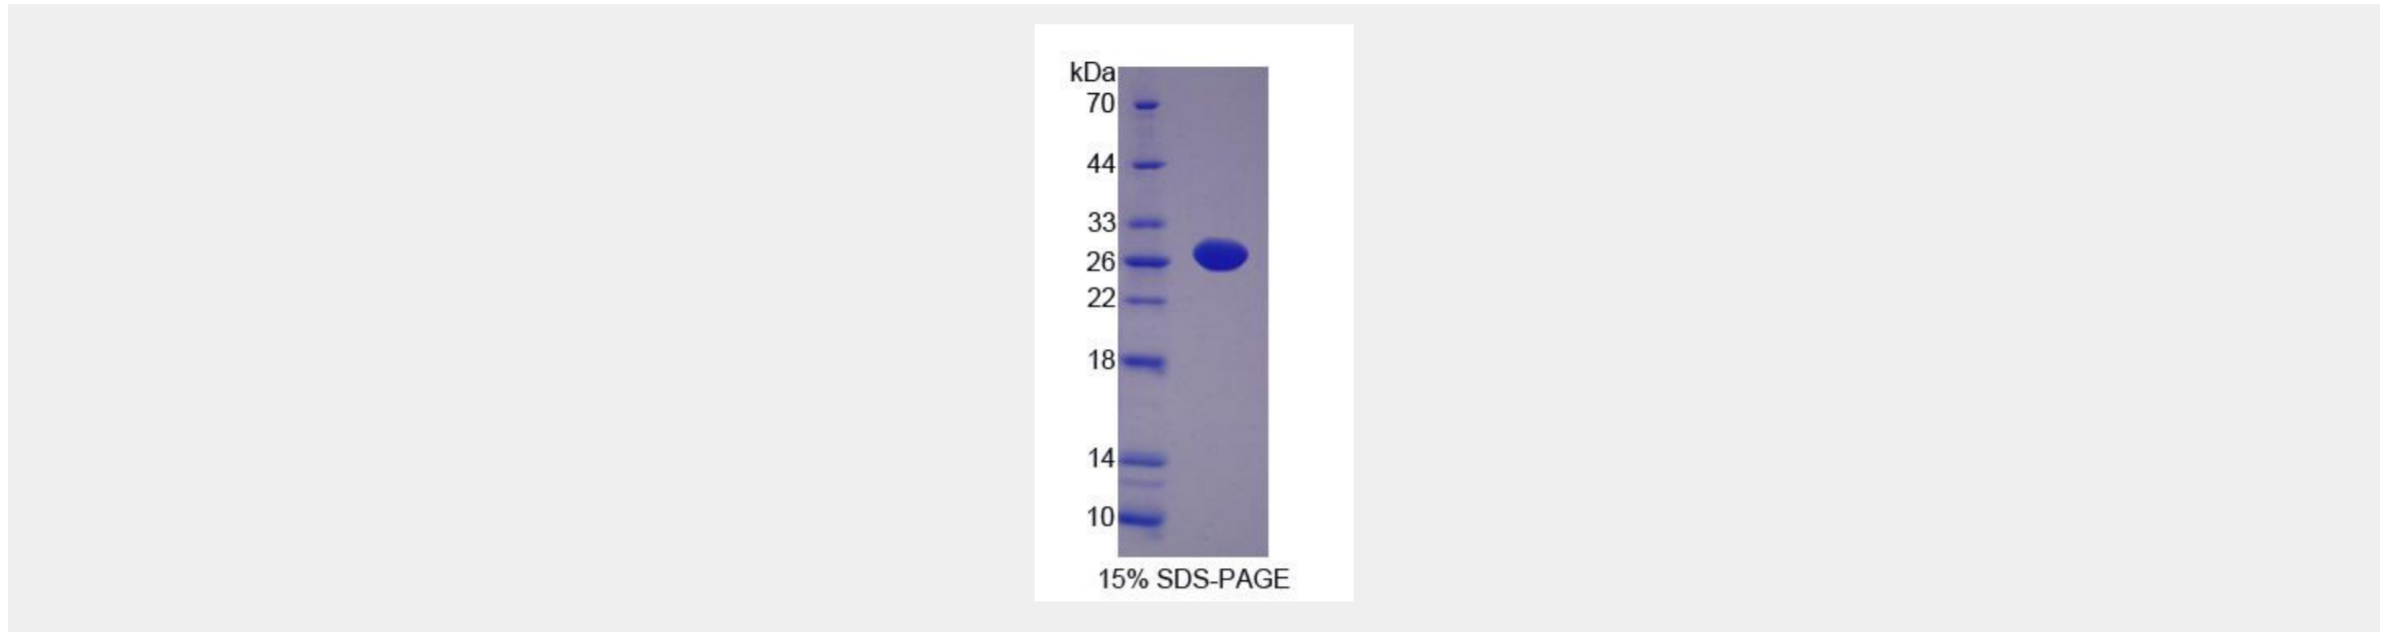

23.7kDa

Observed Molecular Weight:

23.7kDa

Product Description

Prokaryotic expression
