

Recombinant Deoxyribonuclease X (DNASEX)

Catalog No: tcup6548

Available Sizes

Size: 10ug

Size: 50ug

Size: 200ug

Specifications

Application:

Positive Control; Immunogen; SDS-PAGE; WB.

Species:

Homo sapiens (Human)

Source:

E.coli

Purity / Grade:

>95%

Amino Acids:

Phe19~Ala302

SwissProt:

P49184

Predicted Molecular Weight:

35.7kDa

Observed Molecular Weight:

35.7kDa

Product Description

Prokaryotic expression
