

Recombinant Gamma Aminobutyric Acid A Receptor Alpha 2 (gABRa2)

Catalog No: tcup6872

Available Sizes

Size: 10ug

Size: 50ug

Size: 200ug

Specifications

Application:

Positive Control; Immunogen; SDS-PAGE; WB.

Species:

Homo sapiens (Human)

Source:

E.coli

Purity / Grade:

>90%

Amino Acids:

Phe42~Ile250

SwissProt:

P47869

Predicted Molecular Weight:

54.1kDa

Observed Molecular Weight:

54.1kDa

Tags:

two N-terminal Tags, His-tag and GST-tag

Product Description

Prokaryotic expression
