

Recombinant TNF Receptor Associated Factor 1 (TRAF1)

Catalog No: **tcup6873**

Available Sizes

Size: 10ug

Size: 50ug

Size: 200ug

Specifications

Application:

Positive Control; Immunogen; SDS-PAGE; WB.

Species:

Homo sapiens (Human)

Source:

E.coli

Purity / Grade:

> 90%

Amino Acids:

Gly131~Ala381

SwissProt:

Q13077

Predicted Molecular Weight:

58.3kDa

Observed Molecular Weight:

58.3kDa

Product Description

Prokaryotic expression

All products are for RESEARCH USE ONLY. Not for diagnostic & therapeutic purposes!
