

Recombinant UDP Glucuronosyltransferase 2 Family, Polypeptide B7 (UGT2B7)

Catalog No: tcup7087

Available Sizes

Size: 10ug

Size: 50ug

Size: 200ug

Specifications

Application:

Positive Control; Immunogen; SDS-PAGE; WB.

Species:

Rattus norvegicus (Rat)

Source:

E.coli

Purity / Grade:

>95%

Amino Acids:

Phe18~Val495

SwissProt:

Q62789

Predicted Molecular Weight:

57.8kDa

Observed Molecular Weight:

57.8kDa

Product Description

Prokaryotic expression
