

Recombinant Trans Golgi Network Protein 2 (TGOLN2)

Catalog No: tcup7134

Available Sizes

Size: 10ug

Size: 50ug

Size: 200ug

Specifications

Application:

Positive Control; Immunogen; SDS-PAGE; WB.

Species:

Homo sapiens (Human)

Source:

E.coli

Purity / Grade:

> 95%

Amino Acids:

Ala22~Glu323

SwissProt:

O43493

Predicted Molecular Weight:

34.7kDa

Observed Molecular Weight:

34.7kDa

Product Description

Prokaryotic expression

All products are for RESEARCH USE ONLY. Not for diagnostic & therapeutic purposes!
