

Recombinant Nuclear Factor, Erythroid Derived 2 Like Protein 2 (NFE2L2)

Catalog No: tcup7826

Available Sizes

Size: 10ug

Size: 50ug

Size: 200ug

Specifications

Application:

Positive Control; Immunogen; SDS-PAGE; WB.

Species:

Homo sapiens (Human)

Source:

E.coli

Purity / Grade:

>95%

Amino Acids:

Ser400~Lys603

SwissProt:

Q16236

Predicted Molecular Weight:

53.5kDa

Observed Molecular Weight:

53.5kDa

Product Description

Prokaryotic expression

All products are for RESEARCH USE ONLY. Not for diagnostic & therapeutic purposes!
