

Recombinant Dynein Heavy Chain Domain Containing Protein 1 (DNHD1)

Catalog No: tcup8172

Available Sizes

Size: 10ug

Size: 50ug

Size: 200ug

Specifications

Application:

Positive Control; Immunogen; SDS-PAGE; WB.

Species:

Homo sapiens (Human)

Source:

E.coli

Purity / Grade:

> 90%

Amino Acids:

Met1~Pro302

SwissProt:

Q96M86

Predicted Molecular Weight:

64.1kDa

Observed Molecular Weight:

64.1kDa

Product Description

Prokaryotic expression

All products are for RESEARCH USE ONLY. Not for diagnostic & therapeutic purposes!
