

Recombinant Fibroblast Growth Factor Intracellular Binding Protein (FIBP)

Catalog No: tcup8212

Available Sizes

Size: 10ug

Size: 50ug

Size: 200ug

Specifications

Application:

Positive Control; Immunogen; SDS-PAGE; WB.

Species:

Homo sapiens (Human)

Source:

E.coli

Purity / Grade:

> 95%

Amino Acids:

Leu14~Met226

SwissProt:

O43427

Predicted Molecular Weight:

28.2kDa

Observed Molecular Weight:

28.2kDa

Tags:

N-terminal His-tag

Product Description

Prokaryotic expression

All products are for RESEARCH USE ONLY. Not for diagnostic & therapeutic purposes!
