

Recombinant Follicular Lymphoma Variant Translocation 1 (FVT1)

Catalog No: tcup8213

Available Sizes

Size: 10ug

Size: 50ug

Size: 200ug

Specifications

Application:

Positive Control; Immunogen; SDS-PAGE; WB.

Species:

Homo sapiens (Human)

Source:

E.coli

Purity / Grade:

> 90%

Amino Acids:

Lys26~Asp270

SwissProt:

Q06136

Predicted Molecular Weight:

56.7kDa

Observed Molecular Weight:

56.7kDa

Tags:

two N-terminal Tags, His-tag and GST-tag

Product Description

Prokaryotic expression
