

Recombinant N Myristoyltransferase 2 (NMT2)

Catalog No: tcup8217

Available Sizes

Size: 10ug

Size: 50ug

Size: 200ug

Specifications

Application:

Positive Control; Immunogen; SDS-PAGE; WB.

Species:

Homo sapiens (Human)

Source:

E.coli

Purity / Grade:

> 90%

Amino Acids:

Met1~Gly157

SwissProt:

O60551

Predicted Molecular Weight:

21.0kDa

Observed Molecular Weight:

21.0kDa

Tags:

N-terminal His-tag

Product Description

Prokaryotic expression
