

Recombinant Neuronal Cell Adhesion Molecule (NRCAM)

Catalog No: tcup8218

Available Sizes

Size: 10ug

Size: 50ug

Size: 200ug

Specifications

Application:

Positive Control; Immunogen; SDS-PAGE; WB.

Species:

Homo sapiens (Human)

Source:

E.coli

Purity / Grade:

> 90%

Amino Acids:

Gln25~Arg143

SwissProt:

Q92823

Predicted Molecular Weight:

43.2kDa

Observed Molecular Weight:

43.2kDa

Tags:

two N-terminal Tags, His-tag and GST-tag

Product Description

Prokaryotic expression

All products are for RESEARCH USE ONLY. Not for diagnostic & therapeutic purposes!
