

Recombinant Citrate Transporter Protein, Mitochondrial (CTP)

Catalog No: tcup8241

Available Sizes

Size: 10ug

Size: 50ug

Size: 200ug

Specifications

Application:

Positive Control; Immunogen; SDS-PAGE; WB.

Species:

Homo sapiens (Human)

Source:

E.coli

Purity / Grade:

> 90%

Amino Acids:

Lys19~Asp311

SwissProt:

P53007

Predicted Molecular Weight:

36.1kDa

Observed Molecular Weight:

36.1kDa

Tags:

N-terminal His-tag

Product Description

Prokaryotic expression
