

Recombinant Guanylate Binding Protein 2, Interferon Inducible (GBP2)

Catalog No: tcup8247

Available Sizes

Size: 10ug

Size: 50ug

Size: 200ug

Specifications

Application:

Positive Control; Immunogen; SDS-PAGE; WB.

Species:

Homo sapiens (Human)

Source:

E.coli

Purity / Grade:

> 90%

Amino Acids:

Thr35~Asn276

SwissProt:

P32456

Predicted Molecular Weight:

31.2kDa

Observed Molecular Weight:

31.2kDa

Tags:

N-terminal His-tag

Product Description

Prokaryotic expression
