

Recombinant Xeroderma Pigmentosum, Complementation Group B (XPB)

Catalog No: tcup8254

Available Sizes

Size: 10ug

Size: 50ug

Size: 200ug

Specifications

Application:

Positive Control; Immunogen; SDS-PAGE; WB.

Species:

Homo sapiens (Human)

Source:

E.coli

Purity / Grade:

> 95%

Amino Acids:

Arg542~Ala702

SwissProt:

P19447

Predicted Molecular Weight:

22.3kDa

Observed Molecular Weight:

22.3kDa

Tags:

N-terminal His-tag

Product Description

Prokaryotic expression
