

Recombinant Eukaryotic Translation Initiation Factor 3M (EIF3M) Catalog No: tcup8261

Available Sizes

Size: 10ug

Size: 50ug

Size: 200ug

Specifications

Application:

Positive Control; Immunogen; SDS-PAGE; WB.

Species:

Homo sapiens (Human)

Source:

E.coli

Purity / Grade:

> 90%

Amino Acids:

Ser2~Ser251

SwissProt:

Q7L2H7

Predicted Molecular Weight:

31.7kDa

Observed Molecular Weight:

31.7kDa

Tags:

N-terminal His-tag

Product Description

Prokaryotic expression
