

Recombinant Splicing Factor 3B Subunit 1 (SF3B1)

Catalog No: **tcup8281**

Available Sizes

Size: 10ug

Size: 50ug

Size: 200ug

Specifications

Application:

Positive Control; Immunogen; SDS-PAGE; WB.

Species:

Homo sapiens (Human)

Source:

E.coli

Purity / Grade:

> 95%

Amino Acids:

Leu1038~Leu1304

SwissProt:

O75533

Predicted Molecular Weight:

34.1kDa

Observed Molecular Weight:

34.1kDa

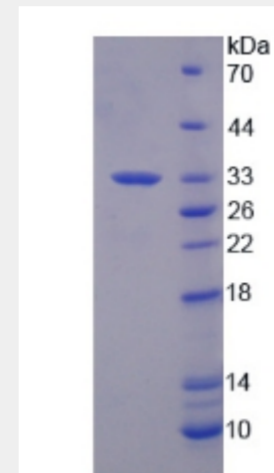

Tags:

N-terminal His-tag

Product Description

Prokaryotic expression
