

Recombinant Fibronectin Leucine Rich Transmembrane Protein 1 (FLRT1)

Catalog No: tcup8310

Available Sizes

Size: 10ug

Size: 50ug

Size: 200ug

Specifications

Application:

Positive Control; Immunogen; SDS-PAGE; WB.

Species:

Homo sapiens (Human)

Source:

E.coli

Purity / Grade:

> 95%

Amino Acids:

Ser345~Asn516

SwissProt:

Q9NZU1

Predicted Molecular Weight:

22.0kDa

Observed Molecular Weight:

22.0kDa

Tags:

N-terminal His-tag

Product Description

Prokaryotic expression
