

Recombinant G Elongation Factor, Mitochondrial 2 (GFM2)

Catalog No: tcup8312

Available Sizes

Size: 10ug

Size: 50ug

Size: 200ug

Specifications

Application:

Positive Control; Immunogen; SDS-PAGE; WB.

Species:

Homo sapiens (Human)

Source:

E.coli

Purity / Grade:

> 90%

Amino Acids:

Asn570~Thr779

SwissProt:

Q969S9

Predicted Molecular Weight:

26.6kDa

Observed Molecular Weight:

26.6kDa

Tags:

N-terminal His-tag

Product Description

Prokaryotic expression
