

Recombinant Staphylococcal Protein A (SPA)

Catalog No: tcup8356

Available Sizes

Size: 10ug

Size: 50ug

Size: 200ug

Specifications

Application:

Positive Control; Immunogen; SDS-PAGE; WB.

Species:

Pan-species (General)

Source:

E.coli

Purity / Grade:

> 97%

Amino Acids:

Thr31~Pro334 (Accession # P38507)

Predicted Molecular Weight:

33kDa

Observed Molecular Weight:

33kDa

Tags:

N-terminal His Tag

Product Description

Prokaryotic expression
