

Recombinant Anti Mullerian Hormone (AMH)

Catalog No: tcup8357

Available Sizes

Size: 10ug

Size: 50ug

Size: 200ug

Specifications

Application:

Positive Control; Immunogen; SDS-PAGE; WB.

Species:

Chicken (Gallus)

Source:

E.coli

Purity / Grade:

> 95%

Amino Acids:

Thr409~Arg644

Predicted Molecular Weight:

30.1kDa

Observed Molecular Weight:

30.1kDa

Tags:

N-terminal His Tag

Product Description

Prokaryotic expression
