

Recombinant Synaptosomal Associated Protein 25kDa (SNAP25)

Catalog No: **tcup8363**

Available Sizes

Size: 10ug

Size: 50ug

Size: 200ug

Specifications

Application:

Positive Control; Immunogen; SDS-PAGE; WB.

Species:

Homo sapiens (Human), Mus musculus (Mouse), Rattus norvegicus (Rat)

Source:

E.coli

Purity / Grade:

> 97%

Amino Acids:

Met1~Gly206

Predicted Molecular Weight:

27.0kDa

Observed Molecular Weight:

27.0kDa

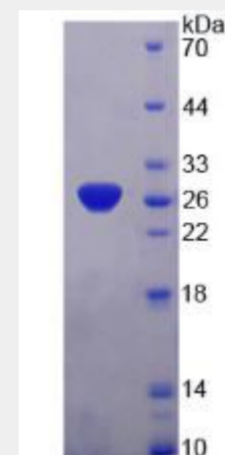

Tags:

N-terminal His Tag

Product Description
