

Eukaryotic Matrix Metalloproteinase 9 (MMP9)

Catalog No: tcup8379

Available Sizes

Size: 10ug

Size: 50ug

Size: 200ug

Specifications

Application:

Positive Control; Immunogen; SDS-PAGE; WB.

Species:

Rattus norvegicus (Rat)

Source:

Yeast

Purity / Grade:

> 95%

Amino Acids:

Gly213~Met422

SwissProt:

P14780

Predicted Molecular Weight:

24.3kDa

Observed Molecular Weight:

24kDa

Tags:

N-terminal His Tag

Product Description

Eukaryotic expression
