

Eukaryotic Osteopontin (OPN)

Catalog No: **tcup8391**

Available Sizes

Size: 10ug

Size: 50ug

Size: 200ug

Specifications

Application:

Positive Control; Immunogen; SDS-PAGE; WB.

Species:

Homo sapiens (Human)

Source:

293F cell

Purity / Grade:

> 95%

Amino Acids:

Ile17~Asn287

SwissProt:

P10451

Predicted Molecular Weight:

32.3kDa

Observed Molecular Weight:

32kDa

Tags:

N-terminal His Tag

Product Description

Eukaryotic expression
